## FINANCIAL POLICY

---

We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy, which we require you read and agree to prior to any treatment.

**WE ACCEPT CASH, CHECKS, VISA, MASTERCARD, DISCOVER AND AMERICAN EXPRESS.**

### Insurance Billing

We will bill your insurance company as a courtesy. Your insurance policy is a contract between you and your insurance company. It is your responsibility to know your benefits and how they will apply to your treatment by the doctor. We are not a party to that contract. If your insurance company has not paid your account in full within 60-days, the balance will be transferred to you and/or the guarantor listed on the Patient Information form.

**HMO Plans** (with which we are contracted): All co-pays must be satisfied at every visit. Due to contractual and uniform compliance issues with your insurance company, there are no exceptions to the policy of collecting co-pays at every visit. You are responsible for obtaining authorization and approval for treatment with your Medical Group or PCP prior to treatment.

**PPO Plans** (with which we are contracted): We have negotiated rates with your insurance company. Your co-insurance and unmet deductible is your responsibility and payment is due at time of treatment.

In the event your insurance coverage changes to a plan where we are not a participating provider, you will be responsible for any out of network deductible or coinsurance amounts.

**Medicare:** We accept assignment with Medicare. Medicare pays 80% of the allowed amount after satisfaction of the annual deductible. We will bill your secondary insurance for the remaining 20% of the Medicare allowed payment as a courtesy; however, you are responsible for any remaining balance regardless of payment from a secondary insurance.

### Usual and Customary Rates

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

### Cash patients

All services must be paid in full at time of treatment. Our office can provide you with an estimate of the cost of treatment prior to your visit with the Physician.

### **Returned checks**

A \$25.00 fee will be charged for any returned checks. We will be unable to accept your check for any services thereafter.

### **Administrative Fee**

All co-pays will be collected at the time of service. If a patient does not submit payment at the time of service, the patient will be billed for the co-pay and a \$15 Administrative Fee will be added to cover the cost of billing and collections.

### **Surgery Deposits**

Newport Orthopedic Institute charges only for professional services provided by your physician. There will be additional billing directly to you from the facility where your procedure is performed, the anesthesiologists and other assistants that your surgeon may require. Once a decision for surgery is made, an Insurance Coordinator will contact your insurance carrier to confirm eligibility of benefits. At this time the Surgery Scheduler will provide you with an estimated cost of the Physician's professional services along with your estimated responsibility. This process normally happens within two business days of scheduling your procedure. The estimated responsibility will be collected as a deposit at the time of your pre-op appointment.

### **Durable Medical Equipment**

Newport Orthopedic Institute provides Durable Medical Equipment (DME) as ordered by your physician. Your insurance will be billed in accordance to your insurance coverage guidelines; however, you will be responsible to pay for unpaid balances and co-insurance rates. Some DME products are not covered by insurance, in which case, you will be notified of the item and its cost. For better understanding of your DME coverage, contact your Insurance Provider. DME is intended for single patient use only. As that is the case, DME is not subject to returns.

### **Medical Records**

All Medical Record requests are subject to a clinical preparation fee of \$15.00. For diagnostic films, such as an X-ray, MRI, and CT scan, you will be charged the actual cost of films printed. The actual cost of shipping and handling will be added if applicable.

#### **Diagnostic Testing Results**

While under the care of a Physician/Provider with NOI, you may be sent to have diagnostic testing performed (MRI, CT-scan, bone scan, lab work). It is the patient's responsibility to return to the office to receive the results of any diagnostic testing. Most testing is completed at an outside facility. It is the patient's responsibility to obtain the results of all tests in addition to ensuring all outside results are sent to the Physician's office prior to the follow up appointment. Reports may be faxed to (949) 630-4903. NOI is able to directly access testing performed at Hoag Facilities as well as Newport Imaging Center.
