## ORTHOPEDIC INSTITUTE

WWW.NEWPORTRTHO.COM

Dr. Caillouette has been actively involved in the research and development of various devices and surgical techniques in the field of Adult Reconstruction since the onset of his career.

He co-founded Advanced Osseous Technologies in 1989, a start up biotechnology company that developed an ultrasonic PMMA (cement) removal device that transformed revision total joint surgery. Five related patents were obtained in that process. The Ultradrive System is now a standard part of the surgeon's armamentarium in over 1000 joint replacement centers world wide.

In 1995, Dr. Caillouette worked with a group of bioengineers from Johnson and Johnson and a team of surgeons at The University of Heidelberg, Germany to develop a new artificial hip system- the G2. US and International patents were obtained for this prosthesis and it continues to be used today. Johnson and Johnson subsequently acquired DePuy Orthopedics and now distributes the G2 system. DePuy/Johnson and Johnson is the world's largest orthopedic company.

In 2000, Dr. Caillouette began working with DePuy/Johnson and Johnson on the research and development of a Computer Assisted Total Knee system, ultimately know as the Ci System. He was involved in both the software and instrument development of this system and subsequently has taught and continues to teach surgeons from around the world on the use of CAS, particularly in "Less Invasive" Knee Replacement.

In 2004, Dr. Caillouette was asked to help in the design of a new version of the Corail Hip Prosthesis from France. He worked with a group of American surgeons and the Arthro Group of surgeons in France on this design and the surgical technique protocol. Following the introduction of this prosthesis, he has trained and continues to train surgeons in the US and Europe on the surgical technique, the design rationale, and the basic science associated with this prosthesis.

Dr. Caillouette is currently involved in the design and development of new instrumentation for knee replacement surgery as well as surgical techniques for DePuy/Johnson and Johnson and continues to train surgeons in both hip and knee replacement techniques. In addition, Dr. Caillouette lectures frequently to Orthopedic Surgeons throughout the US and Europe and continues to participate in Clinical Trials and research in Adult Reconstructive Surgery. In addition to spending his entire career in an effort towards the advancement of the state of the art of of Adult Reconstructive Surgery, Dr. Caillouette maintains a very busy private practice in Newport Beach, California.

Dr. Caillouette has received consulting fees for his implant, instrument and surgical technique design work over the past 20 years, but he does not receive any money for implants that he uses.

To contact Dr. Caillouette's office, call 949-722-7038.

I hereby authorize and consent to examination and treatment as deemed necessary by physicians of Newport Orthopedic Institute, A Medical Group, Inc. I authorize release of information to my insurance carrier should it be necessary. The undersigned agrees to pay any costs incurred by Newport Orthopedic Institute, A Medical Group, Inc. in the collection of amounts due including, but not limited to, reasonable attorney's fees.

I hereby assign all medical and/or surgical benefits, including major medical benefits to which I am entitled, including Medicare, private insurance and other health plans to Newport Orthopedic Institute, A Medical Group, Inc. This assignment will remain in effect until revoked by me in writing. A photocopy of this agreement is to be considered as valid as the original. I further authorize the release if all information necessary to secure payment.

I understand and agree that payment by the responsible party will not be delayed or withheld because of any dispute between the responsible party and any insurance company, reimbursing agency, third party payer or because of pending legal claims.

## FINANCIAL POLICY

---

We are committed to your treatment being successful. Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy, which we require you read and agree to prior to any treatment.

**WE ACCEPT CASH, CHECKS, VISA, MASTERCARD, DISCOVER AND AMERICAN EXPRESS.**

### Insurance Billing

We will bill your insurance company as a courtesy. Your insurance policy is a contract between you and your insurance company. It is your responsibility to know your benefits and how they will apply to your treatment by the doctor. We are not a party to that contract. If your insurance company has not paid your account in full within 60-days, the balance will be transferred to you and/or the guarantor listed on the Patient Information form.

**HMO Plans** (with which we are contracted): All co-pays must be satisfied at every visit. Due to contractual and uniform compliance issues with your insurance company, there are no exceptions to the policy of collecting co-pays at every visit. You are responsible for obtaining authorization and approval for treatment with your Medical Group or PCP prior to treatment.

**PPO Plans** (with which we are contracted): We have negotiated rates with your insurance company. Your co-insurance and unmet deductible is your responsibility and payment is due at time of treatment.

In the event your insurance coverage changes to a plan where we are not a participating provider, you will be responsible for any out of network deductible or coinsurance amounts.

**Medicare:** We accept assignment with Medicare. Medicare pays 80% of the allowed amount after satisfaction of the annual deductible. We will bill your secondary insurance for the remaining 20% of the Medicare allowed payment as a courtesy; however, you are responsible for any remaining balance regardless of payment from a secondary insurance.

### Usual and Customary Rates

Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.

### Cash patients

All services must be paid in full at time of treatment. Our office can provide you with an estimate of the cost of treatment prior to your visit with the Physician.

### **Returned checks**

A \$25.00 fee will be charged for any returned checks. We will be unable to accept your check for any services thereafter.

### **Administrative Fee**

All co-pays will be collected at the time of service. If a patient does not submit payment at the time of service, the patient will be billed for the co-pay and a \$15 Administrative Fee will be added to cover the cost of billing and collections.

### **Surgery Deposits**

Newport Orthopedic Institute charges only for professional services provided by your physician. There will be additional billing directly to you from the facility where your procedure is performed, the anesthesiologists and other assistants that your surgeon may require. Once a decision for surgery is made, an Insurance Coordinator will contact your insurance carrier to confirm eligibility of benefits. At this time the Surgery Scheduler will provide you with an estimated cost of the Physician's professional services along with your estimated responsibility. This process normally happens within two business days of scheduling your procedure. The estimated responsibility will be collected as a deposit at the time of your pre-op appointment.

### **Durable Medical Equipment**

Newport Orthopedic Institute provides Durable Medical Equipment (DME) as ordered by your physician. Your insurance will be billed in accordance to your insurance coverage guidelines; however, you will be responsible to pay for unpaid balances and co-insurance rates. Some DME products are not covered by insurance, in which case, you will be notified of the item and its cost. For better understanding of your DME coverage, contact your Insurance Provider. DME is intended for single patient use only. As that is the case, DME is not subject to returns.

### **Medical Records**

All Medical Record requests are subject to a clinical preparation fee of \$15.00. For diagnostic films, such as an X-ray, MRI, and CT scan, you will be charged the actual cost of films printed. The actual cost of shipping and handling will be added if applicable.

## Notice of Privacy Practices

---

We understand that medical information about you and your health is personal. As the custodians of the information in your medical record, we are committed to protecting the privacy of your information as required by law, professional accreditation standards and our internal policies and procedures.

The Notice of Privacy Practices explains your rights, our legal duties and our privacy practices. It also describes how medical information about you may be used and disclosed and how you can get access to this information. The policy in its entirety can be requested from the receptionist or found on our web-site. Please review it carefully. For your convenience the following is a summary of the information discussed in the notice.

- Our Pledge
- Your Personal Information
- Our Privacy Practices
- How We May Use or Share Your Information for:
  - Treatment
  - Payment
  - Health Care Operations
  - Notifications and Special Circumstance and the Law
  - Research and Marketing
- Your Written Permission
- Other Restrictions
- Your Rights
- Changes
- Questions or Complaints

Your agreement only acknowledges that we have made available for your review a paper copy of our Notice of Privacy Practices and have retained a copy of this acknowledgement as required by law.

## Patient Policies

---

### **DME Acknowledgment of Driving Impairment**

(Not applicable for patients under 16 years of age)

While you are under the care of your Physician, you may be fitted into Durable Medical Equipment, or DME (Cam Walking Boots, Shoulder Slings etc). While the DME is to be utilized to protect or support your condition, by wearing the DME, it might impair your ability to operate automotive vehicles.

You might not be able to operate a vehicle safely due to the use of your DME, please arrange for proper transportation and use the proper precautions. If you have any questions regarding this matter, please ask the DME Coordinator at Newport Orthopedic Institute or your Physician.

### **Medication Acknowledgement of Driving Impairment**

(Not applicable for patients under 16 years of age)

While you are under the care of your Physician, you may be prescribed medication that could impair your ability to operate a motor vehicle, heavy machinery or equipment.

Please refrain from operating a motor vehicle under the influence of prescribed medications that impair judgment. Arrange for proper transportation and use the proper precautions when taking prescribed medications. If you have any questions, please ask your Physician or your pharmacist.

### **Diagnostic Testing Results**

While under the care of a Physician/Provider with NOI, you may be sent to have diagnostic testing performed (MRI, CT-scan, bone scan, lab work). It is the patient's responsibility to return to the office to receive the results of any diagnostic testing. Most testing is completed at an outside facility. It is the patient's responsibility to obtain the results of all tests in addition to ensuring all outside results are sent to the Physician's office prior to the follow up appointment. Reports may be faxed to (949) 630-4903. NOI is able to directly access testing performed at Hoag Facilities as well as Newport Imaging Center.

Thank you for choosing Newport Orthopedic Institute as your health care provider. We ask that you carefully read the attached copies of our policies prior to agreeing to them. If you have any questions about these policies, an NOI employee will be happy to help explain them to you.
